

Amendments to the Drawings:

The attached sheet of drawings includes new Figs. 4 and 5. In Fig. 4, the previously omitted heat sink adhered to at least one of the lead frame and the sealer with an adhesive has been added. In Fig. 5, the previously omitted heat sink and sealer connected to each other by means of grooves or rings has been added. Support for the requested changes may be found throughout the specification, drawings, and claims as originally filed. No new matter has been added.
